John Morrissey is a founding principal of Jackson Cross Partners, LLC (JCP). John entered the real estate business in 1986 as a project manager with national developer, LINPRO, and then joined Rouse & Associates, the predecessor to Liberty Property Trust. John's brokerage career began in 1992 when he joined the Jackson-Cross Company, where he quickly became a top producer in the Suburban Philadelphia market. He was instrumental in opening the Berwyn office, and continued building the suburban brokerage business until he left in 2000 to start his own company, Morrissey Partners.

Representative Projects

- Select Medical Corporation: Project Manager for a national portfolio of 1,600 office locations around the United States, occupying over 4.0 million sf.
- Communications Test Design Inc.: North American Portfolio Manager for a full-service, global engineering, repair and logistics company in 63 leased and 13 owned locations totaling 7,482,613 square feet.
- Tower Health System: Real Estate Portfolio Manager responsible for a wide range of projects including strategic planning and implementation of real estate initiatives for a growing hospital system.
