Mohammad “Mo” Ahmed joined Jackson Cross Partners in November 2021 as an Advisory Services Analyst. His focus is on real estate lease abstraction, data integrity and maintenance of client databases. Mr. Ahmed will also be helping the Data Team with reporting and setup of client-based data.

Mo graduated from West Chester University of Pennsylvania in 2016, with a degree in Business GIS and Geography. Prior to joining Jackson Cross, Mo worked as a Business Analyst for RWS Facility Services in their System Integration department, overseeing internal and external reporting and holding stewardship over usage of financial and operational data.

In his free time Mo enjoys participating in sports like volleyball, racquetball, martial arts, and rock climbing. He has been a member of the Philadelphia Chapter of the American Alpine Club for over 3 years and enjoys teaching climbing to friends and family.
