Kelly joined Jackson Cross Partners in January of 2022. She works as an administrative assistant supporting JCP Founding Partner John Morrissey and his Executive Assistant, Lori Smith. Kelly also supports the Commercial Real Estate Strategies team and the Brokerage division. She is responsible for producing marketing materials, booking travel and events, updating database information, and assisting with all general administrative tasks.

Originally from Lansdale, Pennsylvania, Kelly moved to the Philadelphia neighborhood of Manayunk after she graduated college to start her young professional career. Prior to JCP, Kelly worked as a Front Desk Agent at a full-service Marriott hotel. Her work there included welcoming and checking in guests, running daily reports, and training new employees. Kelly has also previously worked for the United States Census Bureau as an Enumerator in the 2020 Census. She is excited to put her experience in retail and administrative settings to great use at JCP.

In 2020, Kelly graduated from Penn State University with a Bachelor of Arts degree in International Relations. She still enjoys travelling back to State College, PA to see her little brother (a current sophomore,) attend PSU football games, and visit the old college haunts. She loves learning about domestic & international public policy and politics. Kelly is very close with her family and enjoys spending time with them on the Jersey shore. In her free time, she enjoys playing tennis, doing jigsaw puzzles, and going to concerts.
