Maura McCloskey joined Jackson Cross Partners in June 2022 as a Director in the Advisory Department. Maura's focus has been on data integrity, project management, and portfolio management,

Prior to joining Jackson Cross, Maura worked as a Derivatives Analyst for BlackRock. At BlackRock she oversaw the clearing of futures activity on top-day. She worked closely with brokers to ensure clearing and ensure trade discrepancies were remediated. Prior to BlackRock she worked for Vanguard as a Client Relationship Associate.

Maura received her B.S. in Finance from Temple University in 2019.
